**Yamaha C1 & C3**

The Yamaha C1 & C3 Series Grand pianos are by far the most popular instruments in the hire fleet due to their versatility, and can be delivered to some of the most inaccessible venues.

Today's C1 & C3 Grand pianos, recently redesigned to incorporate a host of new refinements, offer a balanced platform for professional performance in venues with limited space.

Yamaha C1 Grand piano also available in **White Polyester** and we are soon to introduce a new Perzina Grand in **Red Polyester**. If you have a specific theme that will re-run, we may consider commissioning a colour of your choice. There will naturally be a cost implication which will be dependent on the number of hires you commit to in the first year.
